

KASBAH TAMADOT

SIR RICHARD BRANSON'S MOROCCAN RETREAT

KASBAH TAMADOT - ROOM CATEGORIES

With breathtaking views, Sir Richard Branson's award winning Moroccan retreat Kasbah Tamadot is set in the spectacular Atlas Mountains. Each of the stunning 27 rooms and suites has been individually decorated and features antiques from all over the world, where the spirit and traditional charm of Moroccan design is beautifully infused with contemporary elements, creating an ambience of luxurious serenity and a hint of exotic adventure.

The extensive grounds are filled with intriguing staircases, peaceful courtyards and landscaped gardens to explore. Employing local staff from the surrounding villages, Kasbah Tamadot gives guests a sense of staying in a Moroccan home rather than a hotel.

Superior Room (x3): 30-36 sqm

We have three Superior rooms, one looks out over the front courtyard, the other into an interior courtyard and the third forms part of the three bedroom Master Suite and has a large terrace and spectacular views over the Atlas Mountains. The Superior Room in the Master Suite can only be booked separately within 2 months prior to arrival.

Deluxe Room (x7): 31-33 sqm

All seven Deluxe Rooms have a balcony or terrace. One of the Deluxe Rooms forms part of the Master Suite and interconnects with the Deluxe Suite with pool (Kasbah Tamadot's only interconnecting room). All Deluxe Rooms have a garden, pool or mountain view, the smaller the room in this category the better the view.

Superior Suite (x4): 34-44 sqm

All four Superior Suites offer a private balcony or terrace and are typically larger in size than the Deluxe Rooms, again the smaller the room in this category the better the view. Our Superior Suites have a sitting area and are more private, they can also accommodate a roll away bed for 1 child.

Deluxe Suite (x3): 35-50 sqm

Of the rooms in the main building our three Deluxe Suites occupy the premium locations for views of the valley and Atlas Mountains. Larger in size and with a sitting room, the smaller the suite in this category the better the view. These Suites can accommodate a roll away bed for 1 child.

Deluxe Suite with pool (x1): 50 sqm

Offering wonderful uninterrupted views of the Atlas Mountains, this room is located on the ground floor of The Master Suite and has its own private pool with a large terrace, sun loungers, table and chairs. With a separate living room, floor to ceiling windows and patio doors leading out to the pool terrace, this room can only be booked separately within 2 months prior to arrival.

Tented Suites (x4): 55 sqm

The 4 new tented suites are perched on the hillside with stunning views across the Atlas Mountain range and the valley below. Each tent features a king-size bed, large bathtubs for soaking while you gaze over the mountains, a terrace, sun loungers and outdoor dining.

Berber Tented Suites (x5): 65 sqm

Perched on the hillside overlooking a pretty valley below, the six Berber Tented Suites offer stunning views of the Atlas Mountains. Five of the suites are located a short stroll through the herb and vegetable garden and all have views of Mount Toubkal, the Atlas' highest peak. The sixth can be seen as you approach the property and benefits from views of the sunsets over the valley. All are perfect for those looking for a little more luxury adventure. Each tent features a king-size bed, large bathtubs for soaking while you gaze over the mountains, a terrace with private plunge pool, sun loungers and outdoor dining.

Master Suite (3 bedrooms) (x1): 112 sqm

The Master Suite is a miniature version of The Kasbah sitting out on a promontory and featuring three special rooms. Located near the glorious infinity pool the master suite more is ideal for families and features three bedrooms, a terrace and a private swimming pool. The building itself is rich in architectural detail and affords complete privacy. Within there is a Deluxe Room and a Deluxe Suite at the lower level with a private pool, both generously laid out. These rooms can interconnect. On the upper floor is a compact Superior Room with a huge roof terrace. This configuration is perfect for a larger party, or those seeking a true escape and complete privacy.

What can you expect to find in your room?

A well-stocked mini bar, bottled water, safety deposit box, radio/CD player, CDs, Bose iPod station, hairdryer, hair straighteners, plug adapters, umbrellas, sunhats, Moroccan slippers (called Babouches) that you're welcome to take with you when you leave, and big windows for those amazing views. Hypoallergenic pillows and duvets are available from Reception on request as well as mattress toppers for extra padding to ensure a perfect night's sleep. All rooms have air-conditioning and heating. If you fancy watching a bit of TV tucked up snugly in your robe with your Babouches and a glass of something bubbly, we'll be happy to bring one to you, or for those lucky enough to be staying in a Berber Tented Suite, one will be waiting in your room. The TVs come with a DVD player too so you can borrow one of the DVDs from our selection. If you want to chill out to your own tunes in your room, you can borrow one of our iPod Sound Docks. They are compatible with most iPods apart from the iPod Shuffle. We also have iPod leads in all guest rooms.
