Bali Leha - The Necker Island Spa

As if being on Necker wasn't relaxing enough, the island also boasts a beautiful Spa located near the Great House that combines fabulous treatments in an incredible setting.

'Leha Leha' is the Balinese phrase meaning peace, relaxation, day-dreaming and an empty mind – a perfect way to describe our Spa.

We use **Gerard's skincare range** which is exclusive to Necker Island in the British Virgin Islands. The treatments follow a natural, holistic and Ayurvedic approach that enhances emotion and well-being from within.
