VIRGIN UNITE MAROC

Kasbah Tamadot and Virgin Unite (the Virgin Group's entrepreneurial foundation) work hand in hand to improve living standards in the communities around the property. This effort is spearheaded by Eve Branson, known to us as Richard's mum! The Eve Branson Foundation aims to help the local people in the long term by setting up sustainable enterprises which so far have included a carpet workshop and a craft house run and managed by locals. In aid of this charity, we have devised these spa packages whereby 15% of the money from treatments sold helps to raise funds for this worthy cause.
