

# NECKER ISLAND

SIR RICHARD BRANSON'S PRIVATE ISLAND

## CELEBRATION WEEK RATES 2012

Normally Necker Island is hired privately by an individual or group, but during Celebration Weeks, held on selected weeks throughout the year, couples or singles can book individual rooms and share the island with others.

The rates shown are in US Dollars and are per couple per week during a Celebration Week. Please note that a 2.5% service charge is added to our accommodation rates.

### How does it work?

During Celebration Weeks there's no particular schedule, and you can do as little or as much as you like. Every morning our team will find out what everyone is interested in doing and will arrange activities accordingly. Some people may choose to go sailing while others brush up on their tennis skills with our resident professional. Or you could find a private spot on a beach or by a pool and spend the day doing absolutely nothing!

Meals are generally taken together in a variety of locations around the island, however if you wish to dine privately on one evening our staff can make all the necessary arrangements.
