a guest aged 12 years and over

- Children of all ages are very welcome at Rock Lodge however we don't allow children or infants at Safari Lodge. This is due to the fact that Safari Lodge is open to the bush and we often have animals passing through the Lodge area.
- We have a range of different activities at Rock Lodge complete with an Ulusaba Activity Book, games and lots more. Unfortunately Infants are not able to participate in our regular game viewing schedule with the adults.
- Children are welcome to join us on our daily safaris. Adults aged 16 and up are invited to join us on our Safari walks.
- As with any guest, special food and beverage requests can be accommodated, however we will need advance notice.
- In some rooms we can accommodate children on rollaway or fold out beds. In these cases where adults are paying double or triple rates, extra children will be accommodated at a rate of R2,000 per child, per night. Unless our 'Kids go Free' offer applies.
- Occasionally due to restrictions on the number of guests and vehicles allowed on Sabi Sand Reserve, we may not be able to accommodate extra children in rooms - please contact us for details.

***If the above offer is not applicable, what does it cost...?***

**1 child sharing with 1 adult** is charged R 2,000 plus the Single Occupancy Rate (for the adult).

**1 child in his/her own room** is charged the adult Single Occupancy Rate.

**2 or more children in their own room** are charged the Single Occupancy Rate plus R 2,000 per additional child per night.

Cubs of all ages are very welcome at Rock Lodge and will be invited to take part in the Ulusaba Cub's Club. Because Rock Lodge is small and intimate, and because we know each cub is different, we do not operate a set programme, rather we have a set welcome pack, with a cool cubs back pack and a range of great activities that are available on request. Your cubs will also have the chance to be involved in a mini ranger's course where they will learn to track and identify animal footprints.

In every cub's room there will be a special welcome letter and a list of phone numbers they can dial from their room so it is easy for them to get hold of other members of their pride, along with Ulusaba staff. Also for their safety, we have security guards on duty all night that will pay particular attention to rooms occupied by cubs.

### ***What else...?***

- A welcome treasure hunt to help familiarise themselves with their surroundings.
- Story books in the Lounge. These include old favourites and ones with an African or animal theme.
- A great range of new and classic children's DVDs and videos that they can watch in the lounge, along with music CDs. A Nintendo Wii to keep your cubs busy.
- On those hot afternoons your cubs will be invited to the swimming pool with an experienced swimmer to supervise. Pool games will be organised along with an ice cream stop to re-energise.
- Your ranger will be more than happy to spend time with your cubs to tell them all about the bush and help them to identify the animals they see.
- We can arrange Safari Walks around Rock Lodge to spot birds, insects, lizards and so on. They will be mini rangers before you know it!
- Bedtime story telling can be arranged in the Lounge complete with milk and cookies, or whatever normally helps get your cubs get ready for bed!
- On departure, all cubs will be invited to become permanent members of Ulusaba Cub's Club and will receive a bi-annual newsletter and a birthday card.

A babysitting service is available at no extra charge, however please be aware that off-duty staff who have experience with children are used for this. Due to our location we do not have professional child carers available, but with advance notice this could be arranged at an extra cost.

**Remember** we understand that every cub is different so if you want anything specific provided for your particular cub then please let us know and we will do everything we can to ensure their stay runs just how you want it to.
