KASBAH TAMADOT

SIR RICHARD BRANSON'S MOROCCAN RETREAT

Location: Asni, Morocco (one hour from Marrakech)

Chief Engineer

An opportunity has arisen for a Chief Engineer to join Kasbah Tamadot, part of the Virgin Limited Edition collection of luxury properties.

This role is responsible for maintenance and projects at the property and requires an all rounder that has mechanical and electrical engineering qualifications or experience. More than that, it requires someone who will embrace the Moroccan and Virgin culture and work with the team to train, coach and develop the local team. If you have the skills and enjoy rolling your sleeves up and fixing things – this is the job for you!

Our Engineer is responsible for maintenance of all areas of the property, ensuring the health & safety of our guests and team in relation to buildings, equipment and services and overseeing any construction or services projects.

This contract is for a minimum of 12 months subject to work permit approval and local housing is provided.
