Hello there...

So what's Virgin Limited Edition all about? When you refer to something that’s a 'limited edition', it normally implies a kind of extraordinary, rare quality, usually offering something better, exclusive or more desirable... well, that’s exactly what we do. My very special collection of retreats embodies all these values, providing unsurpassed friendly service, a high quality product, value for money, and of course, fun! We have a private island, luxury villas, mountain lodge, game reserve, vineyard, kasbah and a tented camp. Eclectic, yes – but all these little gems have a shared thread... they are all unique and operate with the sole aim of creating amazing experiences for you, our guest, whether it’s for a holiday, on business, a celebration or just a great night out. I sincerely hope you’ll be able to visit some of these amazing places and share the experience with your friends and loved ones.

EVE BRANSON FOUNDATION

Kasbah Tamadot and Virgin Unite (the Virgin Group’s entrepreneurial foundation) work hand in hand to improve living standards in the communities around the property in Morocco’s Atlas Mountains. This effort is spearheaded by Eve Branson, known to us as Richard’s mum! The Eve Branson Foundation aims to help the local people in the long term by setting up sustainable enterprises which so far have included a carpet workshop and several craft houses run and managed by local ladies. The foundation also organise several fund-raising events throughout the year – you can find out more by visiting the Eve Branson Foundation website: evebransonfoundation.org.uk

PRIDE ‘N’ PURPOSE

Working on a non-profit basis, Pride ‘n Purpose is Ulusaba’s charitable arm committed to helping disadvantaged communities living adjacent to the Sabi Sand Reserve. Originally established in 2003 by members of the Ulusaba family, all the charity’s running expenses are covered by Virgin Unite, the Virgin Group’s entrepreneurial foundation and Virgin Limited Edition, so 100% of donations go directly toward much needed projects. We’re not big – in fact apart from two full-time members of staff Pride ‘n Purpose has to rely almost exclusively on volunteers to achieve its goals. That doesn’t mean we don’t have a big impact, however, and we estimate that Pride ‘n Purpose now benefits over 35,000 people across six communities. Our philosophy is that people are most effectively helped if they are empowered to help themselves, so the emphasis is most definitely on sustainable initiatives - you can find out more by visiting: ulusaba.virgin.com/pridenpurpose
