NECKER ISLAND
SIR RICHARD BRANSON’S PRIVATE ISLAND
Welcome to Necker Island, Sir Richard Branson’s private island paradise in the British Virgin Islands, a stunning and unspoilt area of the Caribbean. At 74 acres, Necker Island sits in turquoise waters surrounded by coral reefs and fringed with beautiful white sandy beaches.
The island can be hired exclusively for groups of up to 48 people, or if you’re not looking to hire it exclusively you can still enjoy the Necker experience by taking a room as a couple, individual or family on selected dates throughout the year.
Necker Island is my home and favourite hideaway. I invite you to explore this idyllic island paradise for yourself and to be inspired by its beauty.

—SIR RICHARD BRANSON
