TRANQUILLITY MASSAGE

Unwind with a relaxing massage that will relieve your tensions and accumulated stress.

SPORTS MASSAGE

Deep massage techniques are used to energise and restore your body.

CANDLE OR HOT STONE THERAPY MASSAGE

A comforting massage experience where candles or hot stones are warmed up to calm any tensions in your body.

PREGNANCY MASSAGE

Take some time for you and your baby, with a gentle massage that will relax any body discomfort and reduce stress.

BAMBOO MASSAGE

This massage alleviates tension and has many therapeutic effects, such as reenergising your body. This massage can be both relaxing and/or invigorating.

FACIALS

FACIALS

60 minutes: 200CHF

90 minutes: 250CHF

HYDRAMEMORY FACIAL

Boosting radiance and hydration to your skin, the hydramemory facial is ideal for dehydrated skin and restores compactness, nourishment and luminosity while countering dehydration and premature aging.

ACTIVE PURENESS FACIAL

A deep cleaning facial that reduces pores and prevents acne. Intense and delicate at the same time, it purifies and balances your skin, leaving it fresh and toned. Ideal for all skin types, including sensitive or dehydrated skin but particularly effective on impure, oily, or acne-prone skin.

REMEDY FACIAL

Protecting delicate and hypersensitive skin, this facial calms skin discomfort, relieves neuroinflammation and reinforces your skin's defence. An ideal facial for sensitive skin or skin prone to redness and sun exposure.

SUBLIME SKIN FACIAL

An anti-aging treatment that visibly restores firmness, elasticity and skin tone. This facial improves cellular renewal and illuminates your face, neck and décolleté. Particularly recommended for mature skin or skin with slightly uneven tones.
