

MASSAGE

MASSAGE THERAPY

60 minutes: 180CHF

90 minutes: 220CHF

TRANQUILITY

Unwind with a relaxing and intuitive massage that will relieve your tensions and accumulated stress.

DEEP TISSUE

Deep massage techniques are used to energise and restore your body.

HOT STONE THERAPY

A comforting massage experience where hot stones are warmed up to calm any tensions in your body.

PREGNANCY

Take some time for you and your baby, with a gentle massage that will relax any body discomfort and reduce stress.

SLIMMING & REJUVENATING

A tonifying massage using fast and deep pressure to reactivate and reenergize the skin. Aids in activating the fat release process from the body, whilst toning the skin.

LONA STRETCH

This Thai stretching session, conducted on a mat, enhances physical performance, reduces injury risk, and promotes joint flexibility. It is recommended to perform this treatment in your room due to space constraints in our spa.

MASSAGE

THAI MASSAGE

Reduce stress, improve flexibility, enhance sleep, and relieve aches and pains with a blend of deep tissue pressure, muscle and joint stretching, and gentle adjustments into yoga-style poses.

THAI TABLE MASSAGE

Experience the benefits of Thai massage with gentle rocking, rhythmic muscle compressions, joint mobilisation, and acupressure points to help you reset and refresh.

REFLEXOLOGY

A specialised foot therapy that balances your energy, detoxifies, boosts circulation, and revitalises your entire body.

FACIALS

FACIALS

60 minutes: 200CHF

90 minutes: 250CHF

HYDRAMEMORY

Boosting radiance and hydration to your skin, the hydramemory facial is ideal for dehydrated skin and restores compactness, nourishment and luminosity while countering dehydration and premature aging.

ACTIVE PURENESS

A deep cleaning facial that reduces pores and prevents acne. Intense and delicate at the same time, it purifies and balances your skin, leaving it fresh and toned. Ideal for all skin types, including sensitive or dehydrated skin but particularly effective on impure, oily, or acne-prone skin.

REMEDY

Protecting delicate and hypersensitive skin, this facial calms skin discomfort, relieves neuroinflammation and reinforces your skin's defence. An ideal facial for sensitive skin or skin prone to redness and sun exposure.

SUBLIME SKIN

An anti-aging treatment that visibly restores firmness, elasticity and skin tone. This facial improves cellular renewal and illuminates your face, neck and décolleté. Particularly recommended for mature skin or skin with slightly uneven tones.

LASHES & ADD-ON TREATMENTS

LASHES

LASH LIFT

60 minutes: 120CHF

A semi-permanent lift and curl of your natural lashes, much like a perm. By bending your natural lashes over a curved silicone shield and applying a perming solution our spa therapist can set the shape of your natural lashes into an upward and realistic curl.

LASH TINT

20 minutes: 30CHF

A semi-permanent tint of your natural lashes to give the appearance of darker, fuller lashes without needing mascara or other makeup products. Perfect for your mountain adventures, no matter the season.

ADD-ON TREATMENTS

FIRMING BODY MASK

15 minutes: 40CHF

Application of a firming body mask to the entire body during one of our massage or facial treatments to energize and firm the skin.

KOBIDO FACIAL MASSAGE

30 minutes: 60CHF

A precious Japanese facial massage to plump the skin and improve comfort, health and a youthful glow. This treatment is finished with a relaxing scalp massage.

Can also be booked as a separate treatment.
