MONT  ROCHELLE

SIR RICHARD BRANSON'S SOUTH AFRICAN HOTEL AND VINEYARD

WELCOME

Our philosophy: Tell us what is happening in your body, and we'll design a treatment that responds to your specific needs.

Welcome to the Mont Rochelle spa, where we have worked with Africology to create a unique experience with signature treatments which are exclusive to us. You will find Africology products in your room so feel free to try them throughout your stay. If you'd like to take a piece of the Mont Rochelle spa experience home with you, the Africology range is available to purchase in the spa - or just ask at reception.

You can book a spa treatment by getting in touch on +27 21 876 2770 or spa@montrochelle.virgin.com. If you're staying with us, you can also reach out to any member of the team on property.

If you are unable to make your appointment, please do let us know 24 hours before.

All spa treatments are subject to availability. Rates are valid for 2024 and are subject to change without notice. Any of the same treatment type can be enjoyed as a couples treatment.

A 100% cancellation charge will apply for any appointments cancelled on the same day. The treatment time stated includes a consultation, so please arrive 15 minutes before as during busier periods we will not be able to extend the session.

Please enquire at the spa about treatments safe for pregnancies.

SIGNATURE TREATMENTS

CAPE MALAY SPICE JOURNEY

90 mins single: R1,800 | 90 mins double: R3,200

Select your own blend of spices and herbs from our spice apothecary. These will then be combined with essential oils and a kaolin mud to stimulate your body's healing ability. Part of this experience takes place in the Hammam where you can relax and let the spices work their magic. Your treatment will finish with a circulatory back, neck and shoulder massage.

SIGNATURE NATURE'S STEM CELL FACIAL

75 mins: R1,620

A beneficial repairing and preventative facial, which awakens dormant skin cells for a fresh and younger looking glow. Plant essences of the Cape are used to energise and stimulate new cell growth, slowing down chronological ageing, whilst citrus stem cells have the ability to protect skin against UV damage.

THE KUSASA PROJECT

THE KUSASA PROJECT

We have selected the two spa treatments below in support of The Kusasa Project, a Franschhoek-based NGO. 15% of the treatment price will be donated to support The Kusasa Project's very own fully accredited independent primary school – run by a skilled and committed team of teachers who help over 150 underprivileged children to reach their full potential. They deliver an exceptional educational experience, focusing on strengthening reading, writing and math skills, as well as physical, psychological and social development in a safe environment.
